DETAILED ACTION

Allowable Subject Matter

All claims are allowed. Claims 1-48 are allowed. The following is an examiner's statement of reasons for allowance. Applicant has filed many pages of arguments, including the latest filing of March, 2007. Of course, the entirety, rather than a few portions, of file history is considered for allowance. Among others, at pages 10-11 of the arguments from Applicant of March, 2007, Applicant noted the difference between federation access of the present invention and federated identity of the Microsoft product. The prior art did not teach or suggest the particular features of the claims.
